Last months opening lines were as follows:-

Well done everyone (apart from Tordoff that is), I wonder when the exit door of the comfort zone will be utilised. Come on Phyllis, lets see you hard at it one month.

This month I can firmly include Phil in the Well Done's. Seems all his hard work and training recently is paying off. Well done, keep it up.

You can all pat yourselves on the back for having turned out on such a cold night.

As some of us know, Kathy took a wee tumble on the night, Good news is she is fine. No sarci comments please on how the pavement is!!

It was also good to see a few of you injured runners having a run out.
