The promise of a "buttie" return was possibly the catalyst for such a good turnout. Everyone decided to do the Summer Route as I'm sure the Winter laps will be back next month, booooooooooooo.
Looking at the September 2011 results, it would appear that a few of you have really improved over the last 12 months, so a big pat on the back for you.
Congrats to those of who were competing for the first time, hope to see you again next month and thereafter.
Performance of the night was Barry Tate's run. It might not have been the quickest on the night, but it certainly takes the prize for most improved. Well Done.

Nicola Sinclair sent her apologies for not attending, but apparently she wasn't allowed to seat within 5 hours of her "Spray Tan". I kid you not. I'm giggling typing this up.
