The light nights are gone for another year and the 3 lapper is back. Please remember to pop your hi-viz gear on.

Hope you all enjoyed the evenings fun, including the coffee cake, baked by Julie Nigella Marlow.

Performance of the night goes to Barry. Only a few months ago he could complete one lap in around 17 minutes and has now progressed to doing 3 consecutive in less time. Keep it up Barry.

As for Mick Aydon, what on earth were you doing on the last lap. It was almost the perfectly timed run, better luck next time.
