The front two obviously ran round holding hands, with Burke taking it on the line having shoved a couple of traffic cones up his vest for the photo finish!!!

The night itself wasn't too bad, though it was fairly windy heading along Campsall Balk. On a personal front, it was good to get into a group and share the work out a little, which I believe helped Daniel, Duncan, Mick, Dave and myself to better times on the night.

Fez managed to open his legs and show his class, with a thundering sprint finish, as he surged passed Paul Ward.

Looking at last years equivalent TT, It would appear that Jen and Sarah are the big improvers over the 12 months, so well done to them for that.

It was also good to see Ken running each of his 3 laps quicker than his 1 lap of last year (18mins).
